### EVENT DATE:

Sunday, October 23, 2016 - 10:00am to 2:00pm

### 2016 EL Farmer's Market Season

The 2016 ELFM will take place June 5-October 30, 2016 on Sundays from 10am - 2pm in Valley Court Park, 300 Valley Court.

The East Lansing Farmer's Market, a growers-only market, is located in an inviting, open-air atmosphere, just steps away from the Michigan State University campus. Customers can fill their shopping bags with a diverse selection of fresh, farm-grown Michigan produce and products, including fresh vegetables, grass-fed beef, artisan bread, cheese, all-natural chicken, organic produce and much more.

### ?100% Homegrown Makes Us Different?

What makes the ELFM unique is that every item sold by vendors is 100% homegrown. Vendors must either grow their own produce or make their own products. In essence, customers at the market enjoy authentic local Michigan goods rather than purchasing wholesale items.
