Water Moves MSU Reception

6pm, Alan and Rebecca Ross Education Wing

Join us in celebrating the launch of *Water Moves MSU*, this year's thematic year of arts and cultural programming, organized by the Cultural Engagement Council. This initiative fosters and celebrates cultural and artistic expression inspired by water including conservation efforts, scientific research, and sustainability. The evening will include a look at the Broad MSU's outdoor, site-specific installations of photographs by artist Gideon Mendel along the banks of the Red Cedar River.
