The Pump House is a neighborhood-run listening room located in the heart of the Bailey Neighborhood in East Lansing (368 Orchard St.). It is a converted water-pumping house built by the WPA in the 1930's. This intimate atmosphere provides a comfortable and involving listening environment; it's a very special way to listen to music.

We only sell tickets at the door. Suggested donation is almost always \$15 (occasionally \$20). All money goes to the musicians. We only do one show a month, almost always on Sunday evenings.
