Description: We are getting excited about the upcoming Symposium! Our event will feature over 200 exhibits, notable speakers and demonstrations at the MSU Pavilion and attracts well over 2,000 attendees. The March 2nd event will feature presentations by noted travel writers, Jim DuFresne and Kevin Callan; the dean of outdoor writers, Cliff Jacobson; as well as several other prominent speakers. One of the historic high-points of the Quiet Water Symposium is celebrating the giving of the Verlen Kruger Award. This honor is given annually to a person (or persons) who has supported and promoted paddle sports along with water conservation, education, or history in Michigan. Come on out and join us on March 2nd as we network, educate and dialogue with other passionate outdoor enthusiasts!
