We have a feeling you?re going to want ELi to report on what the new City Council is up to in 2020. For that, we need your financial help to pay reporters, editors, and tech staff.

And the great news is that right now **we have NewsMatch funds available to DOUBLE your donation!** Click here to help out right now. [2]

Do you first want to know more about what ELi does and why it is important locally and nationally? Watch this new video:

The sooner we raise the funds we need for next year, the sooner I personally will be out of fundraising purgatory and back to investigative reporting for East Lansing! I'll be thrilled to be back in the ranks of our great reporting staff.

Thank you for your help!
