University Activities Board Craft Night: Screen Printing

Wednesday, Mar. 11, 2020 7?10pm

"What do Sparty, your favorite personal catchphrase, and a cat have in common? With a little more than a pair of scissors you can screen print this and more at our March UAB Craft Night at the MSU Broad. Experiment with paper cutting as a technique for creating your own design to screen print on a canvas bag. While supplies last."
