Subject: Re: Offer on DPW

Bill,

We'll be posting it online for an auction by the end of the week. I'll forward the link when it's up.

Thanks for your patience,

Tim

Tim,

Happy New Year

Following up on the Letter of Intent we made to the City of East Lansing for the Department of Public works Real Estate we made November 9th, 2018.

Has the city made a decision yet on an offer or negotiations with competing offers? Any direction so we can get to a competing purchase agreement for this property?

My clients would like to purchase this property and submit a SUP for Cannabis use.

Thank You
