Dear ELHS Families,

I want to take a moment to inform you that we recently learned of the passing of one of our of freshman students, Sydney Zaban, at her home on Wednesday. Our thoughts and condolences are with the family as they grieve the loss of their child.

We also know that in moments of tragedy, friends and classmates may struggle as they attempt to cope with such a sad event. Please know that the entire high school staff stands ready to provide support to students in need, and counselors are ready to receive anyone looking for help or a listening ear. No appointment is needed.

Again, our hearts go out to the Zaban family in this time of difficulty.

Sincerely,

Coby Fletcher
